

2021 BROOKINGS HISTORICAL PRESERVATION COMMISSION OVERVIEW

Promote inspiration and enrichment of Brookings' citizens through identification, preservation, promotion and development of the city's historic resources.

Key Projects

	Description	Status
1	Preservation Plan Update	100%
2	Installation of University Residential District plaques	20%
3	Updating University Historic District	40%

Successes

- Finalized Preservation Plan update with Winter & Company
- Maintained a Facebook page to educate public, as well as provide information on news, grant opportunities, and happenings
- Created Year One Implementation Matrix for the initial implementation of the updated Preservation Plan
- Established Special Projects, Public Education and City Connections subcommittees
- Updated Contractor's Guide including update for window replacements

Challenges

- COVID related restrictions and delays of planned public events and outreach
- Turnover of Commission members
- Training opportunities

Looking Ahead

- Finish out installation of plaques in the University District
- Encourage use of the Contractor's Guide
- Conduct public education activities as required by the CLG Grant including: walking tours, historical trolley tours, Mayor's Awards and other events as resources and pandemic allow
- Begin implementation strategies of Historic Preservation Plan
