ORANGE CART TAGS

If there is an issue completing your service, a cart tag indicating the request/concern will be placed on your cart.

HOUSEHOLD AND RECYCLING CARTS

All recycling and household garbage must be placed in the appropriate City of Brookings cart. Plastic bags are **not** accepted for recycling and should be placed in your regular green garbage cart.

Do not place your recyclable products in plastic bags inside your blue cart.

All household garbage should be bagged to help keep carts clean and odor-free. The homeowner is responsible for keeping the cart clean.

YARD-WASTE CARTS

City Collections offers residents of Brookings a brown yard-waste cart. Please contact the Landfill if you wish to have a cart delivered to your residence.
